meteor

Electronics and software for Epson™ printheads

## Robust, cost-effective solutions

- trusted and proven Epson partner
- modular components for scalable implementation
- powerful data path and application software
- off-the-shelf, production-ready solutions

EPSON®
EXCEED YOUR VISION

Epson PrecisionCore printheads embody technology that enables outstanding image quality, productivity, durability and printhead scalability.

Meteor's complete package of solutions for Epson PrecisionCore printheads includes scalable electronics, comprehensive software and essential tools to accelerate time to market for new inkjet applications.
